**About the Role**

We are seeking for a passionate and dedicated Community Care Worker to join our team. The successful candidate will work closely with community members, Orphans and Vulnerable Children (OVC), their families and stakeholders to provide psychosocial support.

**Key Responsibilities**

- Provide care and support to OVC and their families.
- Building and maintaining rapport with stakeholders.
- Conduct home visits and follow-up assessments to monitor beneficiary's needs and progress.
- Strengthen relationships with Caregivers to encourage with basic daily activities and provide guidance on health, hygiene, and nutrition of beneficiaries.
- Report beneficiary's updates and observations accurately to supervisors or CBO coordinators.
- Uphold confidentiality, child protection principles, and ethical standards always.
- Maintain accurate records, case notes, and required program documentation.
- Referral and Linkage to Care: Assisting clients in accessing medical services, including linking them to ART (antiretroviral therapy) clinics, social services (housing, financial aid, food support), and support groups.
- Treatment Adherence Support: Educating clients on medication management, monitoring adherence to ART and TB treatment, and tracing clients who default on treatment.
- Psychosocial Support: Offering basic emotional support, counselling including disclosure counselling, addressing stigma and discrimination, and empowering individuals and families to cope with the challenges of HIV/AIDS.
- Education and Awareness: Conducting outreach, door-to-door campaigns, and community education on HIV prevention, transmission, sexual health, and risk reduction.

### **Qualifications & Experience**

- Minimum Grade 12/Matric certificate.
- Ability to read and write effectively.
- Willingness to work with community members, including vulnerable populations.
- Excellent interpersonal and communication skills.
- Ability to work independently and as part of a team.
- Must be physically fit.
- Basic HIV/AIDS Counselling Certificate, or a Home-Based Care Certificate.
- Experience: Previous experience (typically 1-3 years) in HIV counselling, community mobilization, or a related health/social development field

### **Added Advantage**

- Previous experience in Home Based Care, Social Work, Community Development or Health Programs.
- Knowledge of OVC and community support programs.

### **How to Apply**

***Please submit your CV and qualifications to [tiangmaatlatmc@gmail.com](mailto:tiangmaatlatmc@gmail.com) subject line: Community Care Giver OR hand-deliver to Tiangmaatla Multipurpose Centre, 4005 Sebayeng Village Office.***

**Deadline: 12 January 2026**
